

# Romania@CERN

## Open Symposium 2023

Măgurele  
11 January 2023

Event dedicated to the 10<sup>th</sup> anniversary of the International Scientific Advisory Board for Romania's participation in CERN experiments

### Faculty of Physics, University of Bucharest

(Auditorium no. 3)

10:00 Opening

#### 10:10 Invited talks

### Extreme Experiments for Big Discoveries

C. Diaconu, *Centre de Physique des Particules de Marseille, CNRS, France*

### An Odyssey through our Universe from the Big Bang to Black Holes

J. Harris, *Yale University, USA*

- Participation of Romania in CERN experiments  
F. Buzatu, *Institute of Atomic Physics*
- Educational programmes at CERN – R. Zus, *University of Bucharest*

11:30 Round table

- **International research career opportunities in large scientific collaborations**

12:30 Lunch Break

**WEBEX:** Webinar number: 2733 729 9154, Webinar password: 4723

### Institute of Atomic Physics

(Council Room, 9<sup>th</sup> floor)

14:00 Young Scientists Forum

15:00 Project presentations:

ATLAS, LHCb, ALICE, nTOF

16:35 *Coffee break*

16:50 Project presentations (cont.):

WLCG, ISOLDE, NA62, RD50

17:50 *Coffee break*

18:05 Project presentations (cont.):

NP02, MoEDAL, NA65

18:50 Closing

**ZOOM:** Meeting ID: 893 9182 0492

Passcode: 759668
